

# External Ammunition Purchase Agreement

**Before ordering ammunition, you must complete and submit this agreement to United Sportsmen, Inc (USI).**

- I understand that the vendor must request a copy of the USI Ammunition Vendor License from USI directly by sending an email with the order details to 'secretary@UnitedSportsmen.com'. USI will respond with a signed copy of the license within 5 business days.
- I understand that only I can pick up my ammunition. State law requires the name on the order details must match the ID of the person picking up the ammunition.
- I understand that failure to pass the state point-of-sale check (\$1) will delay delivery of my ammunition while we wait for a Basic Ammunition Eligibility Check (takes up to a week) and costs additional money (\$19). I acknowledge that USI has suggested that I perform a point-of-sale check before ordering if I have not passed one before.
- I understand that when I submit this form in advance, I am responsible for storage fees beginning 30 days after ammunition is received (\$100/mo after first 30 days, not pro-rated). If I failed to provide this form before ammunition was received, storage fees began immediately (\$100/mo, not pro-rated).
- I understand that USI charges a handling fee of 3% of the sale price, with a \$10 minimum. I understand my receipt must be provided and all fees must be paid before ammunition can be delivered.
- I understand that this service is only available to members of the five (5) clubs at USI. Present club card when ammunition is delivered at the public Rifle-Pistol range.
